Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Office Action of September 23, 2005 and the Remand from the Board dated August 26, 2005, Appellants respectfully request reinstatement of the Appeal. A Supplemental Reply Brief is attached. In reviewing the new rules 37 C.F.R. 41.30 to 41.54, it is not clear that the Examiner's submission of an Office Action was an appropriate response at this stage of the prosecution. It would seem that the Examiner should have sent a Supplemental Examiner's Answer. The filing of an Office Action was an appropriate response under the old rules 37 C.F.R. 12.81, which have been withdrawn in view of the new rules. On page 3 of the Board's Remand, the Board indicated that if the Examiner's Answer contained a new Ground of Rejection, a corrected Examiner's Answer should have been filed and not a new Office Action.

Application No. 09/435,748
Appeal No. 2005-1249

However, in any case, Appellants' filing of this document and their Supplemental Reply Brief should appropriately resume the Appeals process. Since the Office Action set a three month response period for reply, Appellants' response is timely filed.

Respectfully submitted,

Peter S. Dardi, Ph.D.
